Tour Highlights: Wycliffe Discovery Center (Thursday) – where their goal is to translate the Bible into over 7000 languages by 2025! Then tour the Jesus Film Project center to discover firsthand how this film has changed the lives of millions! On Friday, relax among the historic grounds of Bok Tower Gardens and delight in the beautiful music of the 'Singing Tower', a 60-bell carillon. Friday evening brings a stroll down memory lane at Old Town Kissimmee with its shops and eateries and the 'All American Muscle Car Cruise'. At TBN's Holy Land Experience (Saturday) – among our full day of the activities: you'll encounter the Life of Christ, learn about the history of the Bible in print and engage as an archeologist 'uncovers' the largest indoor model of Jerusalem in the World! Then Sunday, it's "Praise The Lord and pass the biscuits" at the famous House of Blues Gospel Brunch with time to explore Downtown Disney. Then we are homeward bound; but, don't be sad because on Monday, you're going to love our Nashville stop at the renowned Loveless Cafe and shops with that good ol' real southern comfort food of the legendary country stars.

As we arrive in town we will first visit two important centers intricate in spreading the gospel of Jesus Christ!

WYCLIFFE DISCOVERY CENTER--Get a global view of Bible translation without ever crossing an ocean. As you explore the world of languages, culture and Bible history, expect to be changed through the interactive computer simulation, display, audio dramas and other hands-on exhibits where you will not only discover the world and the Word in a whole new way, you'll also expand your appreciation and awe of God, Himself.

A group catered lunch will be provided at the Discovery center and our buses will shuttle us between the two sites.

THE JESUS FILM PROJECT CENTER--The Jesus Film has been seen in every country of the world and translated into hundreds of languages since its initial release in 1979. The film plants a seed that The Holy Spirit can nurture and has resulted in more than 200 million people who have indicated a decision to accept Christ as their personal Lord and Savior. At the Jesus Film Project Center the mission is that "People should not have to learn another language to hear the gospel". This studio tour will convey the passion and major undertaking of the massive charge to translate and dub this life changing film into many languages for better comprehension via their native tongue. Come witness the transformation and become a part of the process.

BOK TOWER GARDENS—Enjoy the day at your leisure as you take in the beauty and tranquility of the grounds here at Bok Tower Gardens. History fills the Visitor's Center walls and spaces, library and archives. After our group picnic-in-the-park, meander along the paths as the 60 bell carillon fills the air with music from its 205' gothic style tower! The gardens boast one of the greatest works of famed landscape architect Frederick Law Olmsted Jr., whom with his brother and famed father also designed the park system in Louisville! Be sure to tour Pinewood Estates decisively placed among the gardens. This 12,900 sq. ft. 20 room mansion, with its many characteristics of an antique villa, is a magnificent example of Mediterranean-style architecture. Beautiful music, splendid architecture and tranquil gardens from the hands of our heavenly creator... Oh, what a wonderful day!

OLD TOWN KISSIMMEE AND THE ALL AMERICAN MUSCLE CAR CRUISE-- Take this opportunity to reminisce and relax for the evening! Old Town is a slice of Americana where you'll walk down memory lane sharing stories of days-gone-by. Brick-paved Main Street carries shoppers and car enthusiasts who refuel at the eateries along the way. Even the music of the main stage comes alive with retro vibe that matches the Muscle cars and newer classics on display.

THE HOLY LAND EXPERIENCE-- Bringing together the sights and sounds of the world of the Bible in a unique and interactive way unlike anywhere else. From the moment you pass through the gates of the walled city, you will be immersed in ancient Jerusalem. The structures and exhibits of this Christian theme park characterize the style, architecture, and settings that existed in the Holy Land 2000 years ago. Recreations of the ministry of Jesus, stories from the Old Testament, miracles and triumphs, and the story of musical praise through the ages will all move your spirit and emotions in praise to our Lord God as He and His Word are exalted. Visit the Scriptorium to take an incredible journey of Biblical Antiquities through the history of the printed Word. Listen to a live archeologist as he 'uncovers' the world's largest indoor model of the city of Jerusalem. Don't miss a thing...be blessed at the Holy Land Experience!

HOUSE OF BLUES GOSPEL BRUNCH IN DOWNTOWN DISNEY—Legendary gospel producer Kirk Franklin's inspired Gospel Brunch is highlighted by fabulous performances of "joyous music" performed by "top gospel groups" from around the country. If you're so moved, you just may find yourself on stage waiving a napkin as we praise the Lord and pass the biscuits! Before and during the show help yourself to all-you-can-eat at the buffet featuring traditional breakfast favorites plus deep south brunch specialties like Creole Chicken and Jambalaya followed by mamma's mmm, mmm mouth-watering desserts. It's a shoutin', praisin', roof-raisin' time!

Now what kind of host would we be if we brought you to Orlando without visiting Mickey and his friends? So, during our stop here at Downtown Disney, you'll have designated free time to explore the attractions and plethora of shops ☺

The famous **LOVELESS CAFÉ** in Nashville, TN-- Despite cultural changes that dot the timeline over the years, the Loveless Cafe remains true to its 1951 home cookin' roots; still using the same secret recipes from Annie Loveless all those years ago. The Loveless has been a favorite of country celebrities and artists alike for over 60 years now. So good and just close enough to home that you'll find yourself in one of the delicious shops to pack a sack of jam-n-biscuits or famous smoked B-B-Q along for the ride.
